Have a
Happy New Year
2021

Calling all women! Although we haven't been able to meet, we do have some bills that we need to take care of. Our Treasurer, Jan Jacobs tells me the bank account is not looking too healthy and it needs to be fed. She is willing to accept any offering you might be willing to give to keep our projects and ministry working.

Please pray that we will soon be able to come back together for fellowship and pray about how you might help our ministry financially. Jan likes getting mail.

Retired Ministers and Missionaries Offering

During the month of January we will be honoring all retired minister and missionaries and their spouses by collecting the Retired Ministers and Missionaries Offering. Our goal for this offering is \$800.00 and is over and above what you have pledged to the church.

Having grown up in the home of a minister, the word retired was not often used. Yes, after 52 years of active ministry, dad retired, but only to lead mission trips, and do interim work when a pastor was need away from where they lived. I thank God for the example my Dad was to so many and I will honor his memory by giving to this offering. Surely there is someone that has encouraged you and you can honor them by giving a gift as well. However small or large your gift, God will bless it and multiply it.
