“Thank you to all of the women that assisted with the service on Mother’s Day/Women’s Sunday. God certainly blessed our time together”. Mary Dobrinski

Words of thanks were also extended from Woody Curtis, director of Worship Ministries. “I was touched in the worship service under the leadership on Sunday, May 12th. I thank each lady for their excellent service for this event.”

For the women riding the bus to the Women’s Conference...we leave our church parking lot at 6:00 a.m. on Friday, June 28. You don’t want to be late for this adventure. Remember to bring a bag lunch for the trip as we will not be stopping for lunch along the way. Only screw top beverages are allowed on the bus. Be prepared to have a great time and be blessed.

Church Board Reading Plan for 2019:

Your Church Board has set a reading plan for this year and we hope that you will join us we are providing the first 2 books for all those who would like to join in our search for God's direction this year. We will begin the second book, "Compelling Community" by Mark Dever and Jamie Dunlop on May 22 and then meet to discuss its contents in July. We have some copies that will be available at the Spring Business Meeting - but if you want one after that just see Pam Taylor. There is a sign up sheet in the church lobby and sample copies of the books we will be reading are also there.

Amazon review:

"Stirring, convicting, and frankly a very enjoyable read. Build your church culture upon the gospel and let that attract God's people. This book serves as a helpful encouragement to remain faithful to God's Word and a helpful ideal to work towards."

Fellowship Ministry

The Fellowship Ministry has no events planned for the summer. Our next event will take place on September 8. It will be a light "brunch", which will take at 9:45 a.m. to kick off the beginning of our Fall Sunday School.

More details will be available over the next few months.

Anne for the
Fellowship Ministry

CHRISTIAN SYMPATHY is extended to Pastor Jeff and family on the passing of his father, Myles Collins, on Tuesday, May 21. Please keep the family in your prayers.

Mission Ministry

The Mission Ministry team is hosting a "WRAPPING PARTY" on Monday, June 10, at 6:30 p.m. in the fellowship hall. Bring your scissors, tape, wrapping paper and empty shoeboxes and be prepared to have a good time of fellowship as we prepare for the Operations Christmas Child project.

Speaking of empty shoeboxes, the items we are collecting in June are small toys (balls, cars, pocket games, etc.) and coloring books. We thank you in advance for your help in filling the boxes. Your Redner's receipts are helping with the shipping costs and that is also appreciated.

In June we will be collecting the One Great Hour of Sharing Offering, which will be divided again with Samaritan's Purse Shoebox shipping cost. The theme this year is "more than we can IMAGINE!" We will hear about how this offering helps wherever the need arises. Our goal is \$1,000 and we ask that you please PRAY about what you can give to this offering. We know that God will bless and multiply whatever we give.

THANK YOU FOR BEING A MISSION MINDED CHURCH!

Bill Clemmer Interviewed by CBS News on Ebola Crisis in Eastern DRC

International Ministries (IM) has received word that IM global servant Dr. Bill Clemmer is being interviewed today by a team from the CBS Evening News for a series of reports that the news agency is currently broadcasting about the ongoing outbreak of the Ebola virus in the eastern Democratic Republic of the Congo (DRC).

Clemmer is a medical doctor who, with his wife Ann, has served through IM for more than 25 years providing medical care in some of the most challenging situations and circumstances in the world. He is currently serving with IM's partner IMA World Health, leading an international team of doctors, nurses, and technical personnel responding to the crisis. Now the second-deadliest Ebola outbreak in history, the medical response is greatly complicated by the breakdown of trust in government and international institutions and the activity of numerous armed militia groups, which has included violent attacks targeting medical personnel engaged in the containment of the virus and treatment of patients.

Clemmer is safe and IM continues to be in regular contact with him while closely monitoring the situation. IM encourages churches, friends and supporters to pray fervently for the Clemmers and others engaged in ministry in the DRC and to share news and concern for the Clemmers with sensitivity to the safety and security issues surrounding their work.
